Burnt Chimney Surveying

December 12, 2000

The offices of Burnt Chimney Surveying, Forest City Associates & John F. Padgett Real Estate will be relocating from our present location to 269 East Main Street in Forest City. Liberty Life Insurance formerly occupied this building. It is adjacent to the Southern Bell Telephone switching station building and the office of Dr. John Mark Bennett.

This relocation will take place sometime around the first of the year. We are moving so as to make available our present location to the U.S. Postal Service for a new post office.
